## ABOUT NITHYANANDA HINDU UNIVERSITY

Nithyananda Hindu University represents the revival of the most ancient knowledge transmission system. It is of the lineage of the oldest university as per known records that was first started in Kailaasa by Paramashiva Himself and then established in various sacred places such as Naimisharanya, Varanasi, Kanchi, Mathura, Avathika, etc - the mokshapuris.

Due to multiple invasions and illegitimization of the Vedic education system home countries, this knowledge transmission system was almost lost. An important understanding is that this was not an education system but a direct download process of the cosmic truths from the source and is hence a knowledge transmission system.

The last living person who has knowledge of this system, Bhagwan Sri Nithyananda Paramashivam is fortunately reviving this knowledge transmission system. Nithyananda Hindu University was conceived with this objective by Bhagwan Sri Nithyananda Paramashivam in 2000 and legitimized by the establishing of the University in the US in 2007.

***Today Nithyananda Hindu University is the largest Hindu University in the world.***

Nithyananda Hindu University draws inspiration from the millennia-old Vedic tradition of ancient India, the oldest living stream of transformational science in the world today. The pragmatic Vedic civilization is credited with many significant 'firsts' in the fields of yoga, medicine, astronomy, mathematics and navigation, among others. Reinterpreting vedic wisdom in the light of modern life and needs, Nithyananda Hindu University creates the space for the powerful transformation of the individual and the community.
