Nithyananda Hindu University (NHU) Resources

This section has details of the various online resources that are available for learners of the Nithyananda Hindu University. These are additional references to subject areas.

Sites under the aegis of the NHU are reference resources for all the teachings revealed by His Divine Holiness Bhagwan Sri Nithyananda Paramashivam. Apart from this, they make available Shastra Pramanas (scriptural references), Apta Pramanas (references from the lives of previous Avatars, and Rishis - enlightened beings) and Atma Pramanas (experience from the life of His Divine Holiness Bhagwan Sri Nithyananda Paramashivam) to the learners.

Sites managed by devotees and disciples are a rich source of Shakshi Pramanas (individual lived experiences).
